

Grievance
By Trevor Davis
5-31-16

Understand and remember. As it is with the preaching of the gospel of Jesus Christ and His Kingdom, where, few believe it; and fewer will make it; so also it is with reproof and instruction the Lord is speaking. Few will believe it and regard it; even fewer will walk in it.

Religion is at odds with God and His Kingdom. Religion is the same today as it ever was. It builds with carnal strength and refuses to submit to the LORD.

It uses the Lord as it sees fit but will not actually walk with Him in truth.

Religion is the work of Cain. It is rejected by God. God not only rejected Cain's sacrifices but He rejected the person of Cain. Cain was of that wicked one the devil. Interestingly, Jesus proclaimed to the Jews and the various personages He clashed as sons of the devil; den of thieves, robbers, strangers, wolves, and even white washed tombs. The Cain Masters offer God things out of earth. He hates it.

The religious are those who do not know God or even care to. But they will act like they do. This is known as hypocrisy. The hypocrites Jesus encountered were given rebuke and woe by Jesus. He never called them to repentance however. Take note.

Hypocrites refuse to repent. They hate the truth and resist, hinder and oppose it altogether as they did with Jesus. They conspire against the truth in order to stop it as they did the Person of Truth Jesus.

Hypocrites love to play the part of religion. They exalt themselves above the ignorant religious masses as they did in the gospels. They are known as the builders that the scriptures prophesied about and Jesus condemned by telling them, 'fall upon the rock and be broken---in submission; or the rock will fall on you and grind you to powder!' Matthew 21:42-45.

How important it is to view everything from God's perspective and not man's. Certainly not religious men. The lamp to the person is the eye, as Jesus called it. If the eye is clear, sound and whole, then there is true light of right judgment, knowledge, discernment and the ability to assess what is right, true from all that is false. It is a heart issue that affects the eye.

Religion comes in many sizes, colors and shapes. In the Church World they call this the denominations. The churches are likened to franchises. Corporate ownership, media advertising with its celebrities, product to buy and sell, and even jingles which the people dance to.

The reality is that the Lord sees this and hates it. Every gospel records Jesus outrage as He took cords and overturned the business of the sellers and buyers which turned the Father's House into a den of thieves and robbers. He scurried the wares of the animals they sold and overturned the money changers coins and all. It was a ominous scene. Jeremiah prophesies of the same state of religion in Jeremiah 7. These religious professionals that govern these things are known as the thieves and robbers in these texts as well as in John 10. Jesus' lambs do not follow these charlatans. They know the voice of the Shepherd and no other voice or spirit will do. They see the stranger miles away as well as the wolves that come disguised in sheep's clothing.

There is so much corruption in the church world. We are indeed in the times of apostasy now. It is

getting worse and worse as deceivers become worse and worse just as we were told in scripture.

People can seek the Lord, hear His voice, learn of Him, be taught of Him, and then they know the truth. The Lord never called His sheep to sit in alliance with such filth, death and deception. His "church" is an assembly of people that are called out. They follow Him loving Him; and pursue the will of God from a pure heart.

Jesus warned that there would be many people shut out of the eternal Kingdom of God when the door is shut. They will stand knocking to be let in but the Lord will not open the door to them. They are the them and not the true "you" that Jesus referred that were given the simple truth of the teaching of the Lord. The "them" only see darkly if at all because they are given things in parables that they can not decipher. They are the blind. The blind can't see. They have eyes but can not perceive. They have ears and hear but do not understand. They are satisfied with the religious corruption and chaff of the exalted master teachers that promote leavenous messages. It is truly vile polluted water offered by these hired hand performers.

I write this today because I am so grieved over this.

I know the Lord is merciful and slow to wrath. He is not condemning but sending forth instruction. Jesus said so in John 9. It was prophesied about Jesus by Isaiah that Jesus the servant of God would bring instruction to the gentiles. The Father Almighty spoke from heaven with an audible voice, "THIS IS MY BELOVED SON IN WHOM I AM WELL PLEASED. HEAR HIM". But, do the religious church going people?

Paul, an apostle of Jesus Christ was such a man who was deceived in religion. He was a trained professional thinking he was serving God as he persecuted real followers of Jesus. He ravaged the lambs of the Lord. But then...then, he met Jesus Christ the glorified Son of God. Blinded by the radiant glory of Jesus, he fell to the ground and heard the Lord calling to him. He found grace and mercy of God revealed by Jesus and thus we have Paul writing of these things by the very Spirit of God. Paul came out of religion. The same is true today for all of us. We are to come out of religion that is corrupted and vile and serve the Lord in spirit and truth. Paul was taught by Jesus. He forsook his rabbi schooled learning of the leaven of the Pharisees and scribes, and was given the revelation of the Word by the Word Jesus Himself. This we are all called to receive as Paul said in Ephesians 4:21 and following. John said the same thing in 1John 2:27.

Everyone that seeks the Lord with their whole heart will find Him. They are to be taught of Him. Jesus has gone to sit in the exalted right hand of the Father. He has not left us alone but sent the Holy Spirit to be our Teacher.

We have the command not to set up masters as teachers over us. It does not work that way among disciples of Jesus. It does not work that way in the Kingdom of God either. Jesus is the sole role of Teacher-Master. There are teachers, yes. But they are not over-lord hyper exalted guru men as is prominent throughout the church world.

As people seek the Lord and hear the Lord, there is one Spirit and one Lord, and one doctrine. We all have the same drink and receive the same import from the Lord. We that do this are in agreement.

In the Old Testament the phrase the "word of the LORD" was the key message that the Father spoke through His prophets. We now have the word of the Lord by the word of Jesus. Hebrews 1. The Word

of the LORD is the same as the phrase, “the testimony of Jesus, which is the spirit of prophecy”. This is the message the Lord speaks to His people by the Spirit. Let him that has ears hear what the Spirit says to the ASSEMBLIES.

There is censorship underway in the realm of rebellious religion. They have put up men speaking their words and silenced the voice of the Spirit. You generally will not hear the voice of the Lord in their centers. God is not desired, nor welcome.

During the times Jesus was ministering in the land there were synagogues where people came to do religious things. Jesus would often go to “their synagogues” and speak the very Word of God. He would display the power of God and would receive heated resistance. The synagogue is a place of worship. It is a system. It had leaders, guides or elders. They generally were blind according to Jesus. Their judgment was 180 degrees wrong as He brought correction. This system taught that God could not heal on the Sabbath. Yet they would give water to their animals or pull out an ox out of a ditch on the Sabbath. They thought it spiritually clean to wash their hands, cups and utensils but Jesus told them they were wrong. Uncleanliness does not come from eating with unwashed hands. Defilement comes from within the man not from without. They had it backwards, upside down. Completely as far as night from day WRONG. The same is true today with those who are not taught of the Lord nor submitted to Him. We have spiritual leaders today that have nothing to say because they do not hear the Lord. They manufacture their message from other sources other than the Spirit of God. It is dead.

Now, we have long custom and tradition in the church world that is completely the same as the synagogue system. Churches are synagogues. Churches are places of religious activity. Search and find out the truth. The English word church is not from the Greek text “ekklesia” which it is supposed to represent. Ekklesia is a Greek word meaning called out assembly. It is not a building, franchise, denomination, schism, sect or cult. What happened?

The devil is the enemy that has sowed the tares among the wheat. Translations inserted the alternate word “church” for assembly to reflect the institutional system of the church world. It is a restoration of the ancient apostate synagogue system of the “builders” that rejected the Cornerstone-Jesus.

The Lord is sending His word as He did through Paul, Silas, Timothy and other men of God to declare the things of the Kingdom of God and pertaining to Jesus Christ. Let him that has an ear hear what the Spirit is saying. He that is of God will hear. He that refuses to hear is not of God. He that hears them hears the Lord. He that rejects them rejects the Lord. This is delegation of ambassadorship that operates in the Kingdom of God.

The Kingdom of God trumps the Church World. The church world is illegitimate. It does not serve the Lord and is contrary to the Word and Spirit of God on many fronts. Will the individuals both leaders and followers submit to the truth? Or will they insist on doing every man as he thinks right in his own eyes?

Where is the power of the Lord? Where is the glory of the Lord? Where is His voice? No one asks. Has God changed? Has Jesus changed? Impossible. No one seems to care. Don't they notice the Lord is not there? Where is He? He is in the midst where two or three assemble in His name. In the book of Acts we find the early assembly of the Lord meeting alright, but they met in the fear of the Lord. They were in sincerity and not in religious hypocrisy as in today's churches for the most part.

Can one be a disciple but not follow the Lord? Can one not be a disciple yet make disciples? Can

there be true authentic assemblies that violate the Word of God on such grand measures and still be of God? No. Would you make a flight on a jet that had no wings, engine, pilot or landing gear? Why would you assemble or join your self in religious environments that do not have the fruit of God? Or, why would you be in fellowship with a group of leaders that are in absolute rebellion and ignorance to the teaching of Jesus? I believe that God is bundling people like birds of a feather. There is a difference between the righteous and the unrighteous. Between he that knows God and serves him from those who do not. There is the assembly of the righteous and there is the assembly of the wicked.

Jesus called those who did not the will of God WORKERS OF INIQUITY. Not only because they did sins of the flesh but because they did not abide in the works of the Spirit. Selah. Cain Workers.

What is the will of God? Jesus pointed to His disciples and said they were His brethren, sisters and mother. They that do the will of God He further outlined. Those who do not the will of God can be religious all they want but they are rejected and thrust outside into outer darkness. Jesus declared that there would be weeping, wailing and gnashing of teeth.

I write this because this is so grieving. It is an offense when I see such monstrosities purportedly serving God but lie. They lie in wait to deceive the gullible simple churchy masses. How can a person know the difference between a diamond and a cubic circonia? They look the same from the surface. One is the real deal. The other is man made synthetic that looks real only from the undiscerning eye on the surface.

If some one demanded to have the real Jesus nothing else would suffice. For those who have ulterior motives they do not care and can be satisfied with the most base debauchery.

I declare in the name of Jesus Christ, that the fear of the Lord shall be made known. God is exposing the lies. He is exposing the hypocrites. Whether spiritual or secular, the God of truth is making known the truth. There are several places in the Word of God that we are told that the hidden things shall be made known. That which is done in secret shall be shouted from the roof tops. Those things done in darkness shall be brought to the light for all to see. God is exposing. Praise the Lord. Rejoice in the truth. One that is in the truth rejoices. Those that are not in the truth are ashamed.

[In recent days in my city a hireling professional master over a church group franchise has been said to have been caught in adultery. I was told he was asked to leave. I am seeking confirmation because there is no discussion of this on their website or media recordings. (I will confirm this Lord willing) Are they whitewashing? The man went to another group without disclosure? When the Word commands in the name of Jesus Christ and the holy angels, that they that sin would be rebuked before all that all may fear; nothing being done by partiality....woe. God will do it if man won't.]

People feel they do not want to be cruel or criticize.

The Lord is the one that exposes. He hates this.
The system is false. It does not work because it is not of God.

Men that put themselves in these exalted positions will be humbled as Jesus said in Matthew 23. They love to be called of the people the various titles. It exalts them raising them above the people. They become the super spiritual elite. But they aren't. It is a lie. They make believe and play a part. They do not know the Lord. They have not been changed. They

do not hear or listen to His voice.

So, it is just a matter of time before their flesh operates as it does best. Sin.

God is exposing. I declare this in the name of Jesus Christ.
Come outside the religious system. Submit to the King and His Kingdom. Get rid of the traditions and manners of religion and follow the example in the Word of God. Hear the voice of the Lord and be instructed. Be wise o kings; and be instructed you rulers (archons) of the churches.

Kiss the Son lest He be angry and you perish in the way.

I tell you, the exposure is far and wide. It is in this city and every city. Judgment begins in the 'house of the Lord'. It is underway even among corrupt false religious systems because of their claim to be of the Lord.

Great fear of the Lord is coming. Those who repent and joyfully abide in the Lord from a sincere heart will be glad. There will be the increasing great manifestation of the presence of the Lord for those who choose to assemble in His name and not a name of a religious enterprise.

We have to define our terms. We have to reflect the truth. The Word is truth.
Church is not in the Word. There is no such thing in the Word of God as "going to church" Search it and you will find it is not there.

Our message is not church. It is the Kingdom of God. Our message is to be correct.
The Kingdom of God.

The Gospel of Jesus Christ.

The testimony of Jesus which is that which He speaks. We are to have ears to hear Him.

What is the chaff to the wheat says the Lord. Let him that speaks My word speak it faithfully.
And, if they speak not according to this word, it is because there is no light in them.

We are to be taught of the Lord.

We are to abandon and leave the blind guides/leaders. They are as Eli, blind and fat that does not have the judgment of right and wrong. Eli and his dead sons were as the "pastors of today" that take the substance of the religious people for themselves, take the women for their own gratification; and do all these things because of the delusion of their own foolish pride.

The "pastors" that rule the majority of "churches" are the same system as the "rulers of the synagogues". They over-lord and have the same identical traits. There is no such "office" in the Word of God that sets a man called pastor as leader of an assembly of Jesus Christ.

Diamond. Cubic circonia. They look similar in ways.

Assembly. Churches. They have similar aspects too but they are completely different from God's perspective.

- p.s. "office" = service = Greek-k. NOT position as Religion does.
- Authority in the Kingdom is by SUBMISSION; NOT position.
